How to get the most out of ABN Lookup

Some of the features in ABN Lookup are often overlooked. For example:

- Have you ever needed to look up the details of multiple ABNs? Do you have a list of names for which you want to find matching ABNs? If the answer is yes to either of these questions, the [ABN Lookup tools](#) can help.
- Are you interested in the number of active ABNs registered for GST? Broken down by state and/or entity type? The [statistical query](#) page can provide the answer to these and other statistical questions.
- Would you like to be able to search ABN Lookup from any web page? If yes, then add the [ABN Lookup quick search](#) to your browser.
- Are you interested in workplace giving programs? Download the complete listing of [Deductible Gift Recipients \(DGR\)](#) entities and funds to help identify suitable recipients.

Below is a brief overview of these features and where to find them on ABN Lookup.

ABN Lookup tools

Download the free ABN Lookup tools from <http://abr.business.gov.au/LookupTool.aspx>. The ABN/ACN lookup tool can be used to easily and efficiently retrieve information about multiple ABN/ACNs from ABN Lookup.
